

**WORLD COUNCIL OF COMPARATIVE EDUCATION SOCIETIES
CONSEIL MONDIAL DES ASSOCIATIONS D'ÉDUCATION COMPARÉE**

CALL FOR NOMINATIONS

PRESIDENT OF THE WCCES (2013-2016)

The World Council of Comparative Education Societies seeks applications for the above position in order to elect the next President of the WCCES, who will serve for a three-year period from June 2013.

The Search Committee of the WCCES shall receive nominations for the post of President and present the final list of candidates to the full Council after the closing date for applications. The election will take place at the June 2013 meeting of the Executive Committee to be held in Buenos Aires, Argentina. In terms of the WCCES' By-Laws, only designated representatives of paid-up constituent member societies are eligible to vote, either electronically or in person at the time of the June election.

Nominations for election to the Presidency shall be made in one of two ways: a candidate may put his or her own name forward; or a nomination may be made to the Search Committee by any individual member of a paid-up constituent society. A nomination must be accompanied by a statement signed by the candidate indicating that he/she is willing to stand.

Written endorsement(s) (maximum one page). It is essential that at least one member society formally endorse the candidate, preferably the society of which the candidate is a paid-up member. Endorsement from a further one or two member societies may be included (optional).

In addition to the written member society endorsement(s), applications for President must be supported by the following essential information:

1. A brief CV/resume of the candidate, including evidence of leadership capacity (maximum 4 pages). Note that evidence of leadership skills will be an important selection criterion.
2. Details of the candidate's general contribution to specific organization(s) supporting comparative education (e.g. WCCES, Member Society, other related organisation) (maximum 2 pages)
3. Details of recent published scholarly contributions to comparative/international education (maximum 2 pages)
4. Statement of vision for the future of the WCCES and of his/her potential role as President (maximum 2 pages)
5. Written statement from a senior executive at the candidate's institution for proposed institutional support for the Presidency; e.g., financial support for travel, clerical assistance, technical support and other contributions (maximum 1 page)
6. Names and contact details of two referees
