Journal of Economic Structures

<https://journalofeconomicstructures.springeropen.com/>

The *Journal of Economic Structures* is a peer-reviewed and **Open Access** international journal that publishes theoretical and empirical articles that apply to a wide range of formal analytical instruments and statistical techniques to explore the structural interdependencies among various activities immanent in the economy.

Why publish your article in Journal of Economic Structures?

High visibility

The journal open access policy allows maximum visibility as they are available to a wide, global audience.

Speed of publication

The journal offers a fast publication schedule whilst maintaining rigorous peer review; all articles must be submitted online, and peer review is managed fully electronically, in both fully browsable web form, and as a formatted PDF.

Flexibility

Online publication gives you the opportunity to publish large datasets, large numbers of color illustrations and moving pictures.
