

The 5th International Conference on Economic Structures (ICES 2021)
The Pan Pacific Association of Input-Output Studies (PAPAIOS)
Internet connection and Presentation Guidance

Internet Connection

Complimentary Wi-Fi Internet access is available in all rooms of Kobe International House for guests using laptop PCs, tablet devices, and smartphones.

Staff inform guests of the password for guests.

Presentation Guidance

We prepare Windows-PC for presentation. Please bring USB flash drive containing your presentation file. If you would like to use your own PC, you can connect it to the projector with the HDMI connector. VGA type is also available (on demand).

The following picture shows the connectors from the projector.
