Journal of Applied Input-Output Analysis

Editorial Committee:

Editors
Mitsuo Ezaki, Graduate School of International Development, Nagoya University
Masahiro Kuroda, Faculty of Business and Commerce, Keio University
Shunsuke Mori, Faculty of Science and Technology, Tokyo University of Science
Jiro Nemoto, Graduate School of Economics, Nagoya University
Hiroshi Niida, The College of Economics, Kanto Gakuin University
Iwao Ozaki, Keio Economic Observatory, Keio University
Norihisa Sakurai, Central Research Institute of Electric Power Industry
Masahiko Shimizu, Department of Economics, Keio University
Shuntaro Shishido, Economic Research Institute for Northeast Asia

Journal of Applied Input-Output Analysis is interested primarily in publishing articles on empirical studies using input-output techniques. Contributions of theoretical works for the advancement of these techniques are also welcome, as long as they are firmly related to empirical analysis.
